

Tenant Support Co-ordinator

Foundation Housing Ltd (FHL) is a not for profit community housing organisation, with a clear strategic direction that combines growth and the delivery of new housing, with achieving positive outcomes for our existing tenants. We are WA's largest developers and managers of social and affordable housing for people in need, providing accommodation and associated services for over 3500 people across Perth, the Kimberley and Pilbara.

We are now seeking a tenant Support Co-ordinator to provide support to tenants needing assistance to sustain their tenancy. This role is critical to achieving the organisation's positive tenancy outcomes. It will work closely with tenants, housing staff and external agencies to provide individualised support and referrals and work alongside tenants to address issues impacting their tenancy. Part of the organisation's Community Services Team, this role is part of a wider support and engagement team that works to deliver positive tenancy outcomes.

As well as having previous support coordination experience, you will have a commitment to the organisation's ethos of providing housing and support to some of WA's most vulnerable people. You will be able to work at a range of different levels across Government and community sectors and build trusting relationships with staff and clients to enhance engagement.

Foundation Housing provides a stimulating, positive and supportive work environment and offers attractive remuneration and benefits, including salary packaging. This is an outstanding opportunity to join a leading not-for-profit organisation and influence the positive tenancy outcomes we seek to achieve.
